1. On April 24, 2024, Ms. Flores made her initial appearance on a revocation of supervised release and was detained. (ECF No. 14.) She appeared on April 25, 2024 for an admit/deny hearing and admitted allegations 1-4 of the superseding petition for violation of supervised release. (ECF No. 17.) 3. Additional time is needed for defense counsel to meet with Ms. Flores and review the dispositional memorandum and otherwise prepare for disposition.

4. By this stipulation, defendant now moves to continue the disposition hearing until July 11, 2024.

5. Probation has secured a bed for Ms. Flores and requests that the Court release her to be transported to Wellspace on May 30, 2024. It is requested that she be ordered to report to Wellspace no later than 7:00 p.m. on May 30, 2024.

Additionally, it is requested that, if she is released into Wellspace, that the following condition be added upon her release:

"You must participate in an inpatient substance abuse/alcohol abuse treatment program and follow the rules and regulations of that program, for a period of up to 180 days, and up to 10 additional days for substance abuse detoxification services if deemed necessary. The probation officer, in consultation with the treatment provider, will supervise your participation in the program."

6. Neither the Government nor probation officer object to the continuance.
